The total annual tax impact of the bond issue will be 3.5 cents per $100 of assessed valuation over the next four fiscal years. The existing bonds and 7 cent bond levy will then be retired and go away creating a neutral to lower tax impact than district residents are currently paying for facilities.

NET INCREASE FOR THE NEXT FOUR YEARS

<u>Commercial/Residential Property</u>

Assessed Valuation	**Per Month**	**Per Year**
$100,000	$2.92	$35.00
$250,000	$7.29	$87.50
$500,000	$14.58	$165.00

<u>Ag Land (Washington County)*</u>

	Per Acre	**Per Quarter**
Irrigated	$0.66	$105.60
Dry	$0.64	$102.40
Grass	$0.22	$ 35.20

**Based on average assessed value per acre per 2026 NE Dept of Revenue report and current school bond statutes.*
